

After School Soccer

Would your child like to learn how to play soccer?

We are looking at starting an after school soccer programme with the help of Dan Crossley and Sport Canterbury.

It would be held on a Thursday afternoon from 3.15pm – 4.15pm and would be open to all school aged children.

The programme would run for about 6 – 8 weeks depending on interest. This would be **free** to join with lots of fun games and activities. There is potential for more training and input from Sport Canterbury Programme Co-ordinator Tony Harvey if we get the numbers and support of parent helpers.

To register your Child/ren's interest and/or put your name forward as a parent helper phone:

School Office 3198787 or Jenny Crump 3198791
